SPECIFICATIONS

- **Cabinet**
  Deep Autumn Tone finish, casters. Dimensions: 29⅞" H, 45½" W, 19⅞" D. Approx. Shipping Weight: 176 Lbs.

REMOTE

➤**Master Touch® Universal Remote CRK74B {39-Button}**
Ergonomic design and color-coded buttons provide complete TV operation plus primary function control of virtually every brand of remote-controllable VCR and cable box. This remote will allow control of the RCA brand DSS® system.

PICTURE

- **Optimum Contrast Screen**
  Dark glass picture tube delivers outstanding picture contrast for blacker blacks, brilliant whites and deep rich colors—even in bright room conditions.
- **110° Reduced Depth COTY Picture Tube**
  110° COTY {Combined Optimum Tube and Yoke} system reduces cabinet depth while optimizing focus, convergence and picture geometry.
- **ColorTrak® Chassis System**
  Automatic picture controls deliver a superb picture which seldom needs adjustment.

AutoColorControl
Automatically maintains natural flesh tones and color fidelity from channel to channel and scene to scene.

–Contrast/Color Tracking System
Synchronizes contrast and color settings to maintain vibrant images.

–Dynamic Black Level Expansion
Extends black levels in bright scenes to enhance contrast and detail.

–Picture Reset
Instantly returns picture to factory settings for Color, Tint, Contrast, Brightness and Sharpness.

–Non-Volatile Memory
In case of most power outages, the picture adjustments and channel selections are stored in electronic memory.

–LSI Chassis Technology
Advanced Large Scale Integrated {LSI} circuit design reduces the number of components for greater reliability and signal efficiency.

- **181-Channel Tuning Capability[1]**
  Digitally controlled frequency synthesis tuning system "locks on" to cable and standard signals with unsurpassed accuracy.
- **Advanced Autoprogramming**
  Auto Cable/Air Switch sets tuner to cable or "off-air" frequencies during initial setup. Then system automatically scans for and locks active channels into channel memory.

SOUND

➤**XS® Stereo**
Delivers stereo sound from compact cabinet designs. Patented process suppresses noise, restores dynamic range and expands the stereo signal to create a more spacious sound effect.

- **Front-Fired Speaker System**
  Front-fired full range frequency drivers provide excellent imaging while localizing voices at the screen.

CONVENIENCE

- **Multi-Language On-Screen Display**
  Allows the on-screen menu system to be displayed in one of three languages {English, French or Spanish}.

CH LABEL ChannelLabeling
Assign on-screen characters to easily identify channels {e.g., NBC, HBO, ESPN, VH-1}.

30 CommercialSkip
Countdown timer returns TV to original channel, so other channels can be browsed during program breaks.

➤**Programmable Timer System**
Convenient scheduling system can be used in a variety of ways:

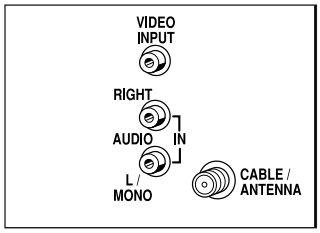
–Sleep Timer
Automatically turns the TV off after a preset time period— for those times when you drift off to sleep in front of the television.

–Alarm Timer
Wake up to your favorite morning show or turn on your television automatically to catch your favorite program.

–Scheduling Timer
Since the alarm setting remains in the TV memory indefinitely, the TV can be scheduled to turn on at the same time every day.

- **On-Screen Menu System**
  On-screen displays visually guide you through adjustments of all TV picture adjustments and features—all with remote control convenience.
- **On-Screen Time and Channel Display**
  Displays time and channel number during channel change or at the press of a button.
- **CaptionVision CC Closed Caption Capability[2]**
  Assists the hearing impaired, helps children learn to read, and aids in the teaching of English as a second language. Built-in Closed Caption Decoder displays the audio portion of a program as text on the TV screen {when program is aired with the encoded signal}.

- **3-Jack Audio/Video Monitor Panel**
  Provides direct audio and video connections for a VCR or any stereo video source.



1 Check your cable company's compatibility requirements.

2 This television receiver provides display of television closed captioning in accordance with §15.119 of the FCC rules.
This television receiver does not support color attributes of television closed captioning.
